CORPORATE PROFILE

ONYX VISION

Our company was registered on 27 November 2008 as ONYX AGROSYSTEM (M) SDN. BHD. and renamed as ONYX VISION SDN. BHD. on 09 November 2011. Onyx Vision Sdn Bhd is a 100% Bumiputera owned company with the authorised capital of RM500,000 and paid-up capital of RM500,000.

Onyx Vision Sdn Bhd has grown to become one of the leading LED and energy saving light products manufacturer industries in Malaysia today. The company had carved a solid reputation as an innovate, quality conscious with strong creative capabilities.

Onyx Vision specialized in design, manufacturing and marketing of a wide range of products in various industries such as automotive, audio, video, computer and energy saving lights. We believe that quality of work can be improved by providing proper training to staff and workers. And so, internal and external training programs are provided to our staffs to enhance their skills and job knowledge for the current requirement and prepare for future needs.

To align with our vision of being "eco-friendly", we are committed to enhance all our products to be green technology and create a future intelligent green world.

ABOUT OUR

COMPANY

MISSION

Our mission is to achieve and manufacture affordable, high quality products that will help to save our Earth and also fulfill our consumer's requirements. At the same time, we are aiming to create an opportunity to the world by collaborating with people, industries and government to achieve a better lifestyle.

VISION

- Achieve quality, safe, environmental friendly products
- Maximize customer satisfaction
- Maintaining customer loyalty
- Improve cost efficiency and productivity

SUB: TESTIMONIAL ONYXLITE PRODUCTS

Refer to the subject as above; we use a several products of ONYXLITE as below;

a. GT8 4'b. LED MR16

c. LED Down Light

d. LED Spotlight

The result of product installation is greatly impressing us. The service we received was really satisfy us and we glad for using the energy-saving and environmental friendly product. The ONYXLITE product was really saved our electricity bill and super brightness compared to the previous conventional products we used before.

The Power Factor for ONYXLITE products is more than 0.90 which is really surprising us and is a high quality and cost effective lighting solution. It is easy to use, with an affordable on our cost. It is reliable to meet our daily lighting needs and requirement.

We are very grateful and really appreciate because introducing this ONYXLITE product to us. We highly recommend this product ONYXLITE because this product is very economical and really give a beneficial to us. Thank you.

Sincerely
